

London South Collegiate Institute

Weekly Update – November 29, 2019

- Graduation photos are taking place next week – December 2nd to 6th. Graduating students must book a sitting at bookmygrad.ca and use school code: **SOW**.
- We will be running a LOCKDOWN DRILL on Monday December 2nd. This procedure has been established in consultation with Police Services to assist school and building administrators within the TVDSB with the development of their response to serious threats of violence to the personal safety of students and/or staff. The following are the steps taken in the event of an actual Lockdown:
 - Used in a serious emergency situation
 - Requires students and staff members to be isolated from danger
 - Threat is inside, on school property or very near school property
 - Requires that all students be kept in classrooms, or other designated locations that are away from the threat
 - Minimizes access and visibility in an effort to shelter students, teachers, staff, and visitors
 - Staff members (includes custodians, teachers, administration and other support staff) are responsible for students and endeavour to ensure that no one leaves the designated area

MONDAY WILL BE A DRILL ONLY, THERE IS NO NEED FOR ANY CONCERN.

- School Council Meeting – Wednesday December 4th. All parents are welcome. See the link for a short video with more information. <https://south.tvdsb.ca/en/parents/school-council.aspx>
- In partnership with the Centre For Research and Education on Violence Against Women and Children (CREVAWC) at Western University, the Culture For Learning portfolio is excited to host author Michael Kaufman on Thursday, December 12 from 5 –7 pm for a community conversation related to men's roles in ending violence against women and girls. The event will take place at the TVDSB Education Centre, 1250 Dundas Street. Information regarding this event was emailed to all parents.
